

Welcome About me CV Gallery Group photos Contacts

Welcome to my personal webpage!

Over the years, I have explored a variety of subjects that sparked my interest. I became involved in different school clubs and activities—such as criminalistics, debate, dance, and tutoring—all of which have shaped the person I am today. Through these experiences, I've come to understand the importance of staying curious and open to learning.

Student. Thinker. Creator.

Little description of myself

I am currently a student at [IMC Krems](#), studying [Informatics in English](#). I graduated from [high school](#) in 2025 in Moldova and spent an exchange semester in Brussels, where I studied in French. This international experience helped me adapt to diverse environments and improved my language and communication skills.

My interest in programming began after taking some courses and [internationally accredited exams](#), which provided me with a broader understanding of what computer science truly encompasses. Beyond technology, I am also passionate about economics, finance, and accounting, as I enjoy learning how these fields connect with innovation and global development. My hobbies include learning new languages, cycling, hiking, skiing, and trying new recipes.

Welcome Page:

- A top navigation bar with links to different site pages (with hover effect) that appears on all pages.
- A gradient blue wallpaper is applied across all pages.
- The footer includes copyright information, links to other pages, and social media buttons, and is present on all pages.
- Using a hover effect, the text in both the navigation bar and footer changes from blue to white.
- Three photos with a hover effect, which redirects to a pink background with short captions. The images have shadows and rounded corners (box-radius and box-shadow applied to all images across the site).

About Me Page:

- The page includes a heading and a brief bio describing my studies, exchange semester, and personal interests, with links included.
- A gallery of personal nature photos with faded captions, which have a zoom-in effect when hovered over.

CV Page:

- The page has a heading and collapsible sections for CV content, including: Education, Certificates, Languages, Extracurricular Activities, Hobbies, Technical Skills, and Soft Skills.
- Each section includes a summary and detailed tags. I used unordered lists to display the content for each section.
- Nine links to images/documents supporting my CV.

Picture Gallery Page:

- The page includes a heading and a gallery of 12 travel destination images.
- Each image has a faded caption and zoom-in effect on hover.

Group Photos Page:

- The page includes a heading and a gallery of 5 group photos with descriptive captions about my past experiences, all featuring a hover effect.
- The design is responsive across all pages.

Contact Form Page:

- The page includes a contact form with fields for first name, last name, email, phone number, and message.
- All input fields have specific types and are marked as required.
- The page also includes a header and paragraphs with my communication channels.
- When the form is submitted, users are redirected to a thank you page.
- Upon clicking, the submit button and each text area turn dark blue.
